

Helping companies win new customers – keep the ones they have and become better places to work!

How do you prepare your Leaders for the future?

Because it takes more than **PROMOTIONS** to build great **COMPANY LEADERS**

The Business of Leadership™

A powerful development program for Supervisors and Managers offered by

Troastle & Associates, Ltd.

Supervisors and Managers will:

- Practice the skills needed to analyze, coach, and provide feedback
- Participate in exercises involving real-work situations
- Learn to align personal and team goals with corporate vision and values
- Leave with a personal action plan and goals that align with your company mission
- Receive follow up coaching sessions

Business Benefits:

- Bring new managers up to speed quickly
- Reduce attrition
- Discuss ready action plans to share with senior management
- Flexible class scheduling

Options:

- Your classroom or ours
- Certify your trainers
- Training consultants – add this program to your toolbox
- Ask about our Association discount
